Announcement

HAVING passed my 77th milestone I have decided to reduce the care and supervision of my varied interests, and as I have no heirs or anyone who can accept the additional burdens requisite to breeding, developing and caring for my Shorthorn Cattle as they should be, I have concluded to make this Dispersion Sale.

I have been an admirer and breeder of Shorthorns, more or less, during the past fifty years, somewhat extensively during the past fifteen years, and in presenting this catalog you will find an exceptionally fine lot of pedigrees, which I hope will interest you.

Section I includes Scotch Cattle of the very best breeding.

Section II includes Scotch Topped Cattle of very superior merit.

Section III includes Milking Shorthorn Cattle, three of which are imported.

This Dispersal Sale offers an opportunity that should be taken advantage of by those who are looking for material with which to found high class herds or to strengthen those already established, as I firmly believe that those who have faith and will continue to breed and develop good cattle are the ones who will profit and secure their reward later on, as the future demand for good cattle, of all breeds, should be greater during the next five years than it has been during any preceding term of like number of years.

You are respectfully invited to come to this sale. I feel confident you will not be disappointed in the quality of cattle offered, and without exception the cattle are sound, healthy, free from tuberculosis and abortion. Every animal in the catalog that is old enough will be tested by State Veterinarians, prior to date of sale, and certificate of health furnished buyers. They also were tested the fore part of October, 1920, and the older ones have been tested at least once each year since they were born or received at my farm.

Trusting that I may have the pleasure of seeing you at the sale, Monday, June 13, 1921, I am,

Very truly yours,

GEORGE GREER,
New Castle, Pa.

Warranty and Terms

Every animal of breeding age is guaranteed a breeder, providing they have proper care and attention.

Cows with calves at foot, or well forward in calf, evidence of breeding is present, and no further guarantee is given.

Cows and heifers over three months gone in calf, according to service date furnished at time of sale, not proving in calf, must be reported within three months from date of sale. All others served within three months from date of sale and not proving in calf, or not settled, must be reported within six months.

Any female recently bred, or of breeding age, that does not prove to be in calf, or get in calf after a reasonable trial period by purchaser, may be returned in good condition at buyer's expense, and if after a reasonable trial to another bull of high standard breeding, fails to settle in calf, purchase price will be returned to buyer.

No bull should be allowed to serve under thirteen months of age or allowed to run with herd while under twenty months.

All animals, except those under six months of age at time of test, have been tested and passed tuberculine test, and are sold subject to a sixty day retest by purchaser complying with requirements of their State and County when kept segregated.

Terms cash or six months note with six per cent interest. Persons not personally known to me to be responsible, if credit is desired, must make satisfactory arrangements for same before sale.

Certificate of Registry and Transfer will be furnished with each lot sold.

All stock will be at buyers' risk when bid off, however care will be used in handling same and will be loaded on board cars, as soon as possible after sale, at New Castle, with hay and bedding free of expense to purchasers' desiring shipment made by Railroad.

Location—New Castle, Pa., is fifty miles north of Pittsburgh, Pa., and eighteen miles east of Youngstown, Ohio, on the Pennsylvania Lines, Baltimore & Ohio R. R., New York Central Lines, and the Erie Railroad connecting with the Pittsburgh & Lake Erie R. R. at Youngstown.

Headquarters—Greer Building, New Castle, Pa., with free automobile service to and from the farm, which is situated four miles north of New Castle.

Auctioneers—Carey M. Jones, Burritt B. Allen.

A GROUP OF FAITHFUL BARON'S CALVES.

FAITHFUL BARON 665048

The Herd Bull, FAITHFUL BARON 665048, is an exceptionally good one. Very few bulls in this country have the top and bottom lines with wonderful quarters, full twist, deep flank, fine head and horns, stands straight on hind legs, splendid coat of hair as fine as silk, a mellow hide, stands wide in front and close to the ground, no dewlap.

The breeding of this bull is of the very best, and a yearling heifer from his dam topped the Bellows Bros. June, 1918, sale at \$7,000.

He is in good breeding condition and is a high class show bull, good enough to head any herd, and has proven himself a splendid sire as shown by his produce, both bulls and heifers. Anyone in need of a herd sire will not be disappointed by this description when they have an opportunity of looking him over.

Here is a chance to purchase a young sire whose equal is seldom offered, with an opportunity of determining his value by looking him over as an individual, examining his pedigree and inspecting his calves.
